5. Review of Agenda (pp. 14-23)

The Commissioners discussed at length with the General Manager questions concerning the Commission Agenda for the forthcoming week. With reference to a briefing by General Fields on the results of the CASTLE operation, to be presented to some of the members of the NSC Planning Board on May 24, 1954, Commissioners Murray and Smyth requested that arrangements be made to brief the Commission on this information before it is presented to the Planning Board group.
