Dear Hal,

Thank you for the copies of the April 28th and
May 3rd letters from Dr. Bair. The recommendations
of the Enewetak Advisory Group contained in these
letters are extremely timely and will materially
assist DNA during the remainder of the Enewetak
cleanup.

I very much appreciate your active participation
at the recent meeting at DNA and look forward to our
continuing close working relationship on the Enewetak
Cleanup Project.

Sincerely,

Bob
