Dear Admiral Strauss:

I have your letter of February 20, 1956, in which you request that Mr. William Schroebel be assigned to the task force during Operation REDWING. In your letter you also specified limitations as to the weapons effects information which could be disclosed to Mr. Schroebel. Subsequently, I received a letter dated March 1, 1956, from General Alfred D. Starbird, USA, DMA, which referred to your letter of February 20 and in effect amended the limitations imposed in your letter on weapons effects information which could be disclosed to Mr. Schroebel. As I now understand it, Mr. Schroebel may be granted access to classified information up to and including category SIGMA 4.

I would like to assure you that I will be pleased to have Mr. Schroebel during the operation. In order that his visit may be as profitable as possible, I plan to assign Mr. Schroebel to the Scientific Task Group.

Sincerely,

/s/

B. Hall Hanlon
